THE PROPERTY

Nestled in the heart of St. Michaels Square, Gloucester, this impressive terraced house offers a remarkable opportunity for those seeking a spacious and versatile property. With a generous 1,528 square feet of living space, this large House in Multiple Occupation (HMO) is particularly well-suited for a care company, making it an ideal investment for those in the healthcare sector.

The property boasts six well-proportioned bedrooms, providing ample accommodation for residents or staff. The layout is thoughtfully designed, ensuring that each room is both functional and comfortable. Additionally, there are two modern bathrooms, which cater to the needs of a larger household or care facility, enhancing convenience for all occupants.

One of the standout features of this home is its pristine condition; it still feels like brand new, allowing for a seamless transition for any potential buyer or tenant. The property is situated in a great location, offering easy access to local amenities, transport links, and the vibrant community of Gloucester.

This terraced house presents a unique opportunity to acquire a property that is not only spacious and well-maintained but also strategically positioned for those looking to establish a care service. With its combination of size, condition, and location, this property is sure to attract interest from a variety of prospective renters. Do not miss the chance to explore this exceptional offering in St. Michaels Square.
